

Payment Solutions for individuals and businesses worldwide

Payment Solutions by Tethex Company

Tethex Cards

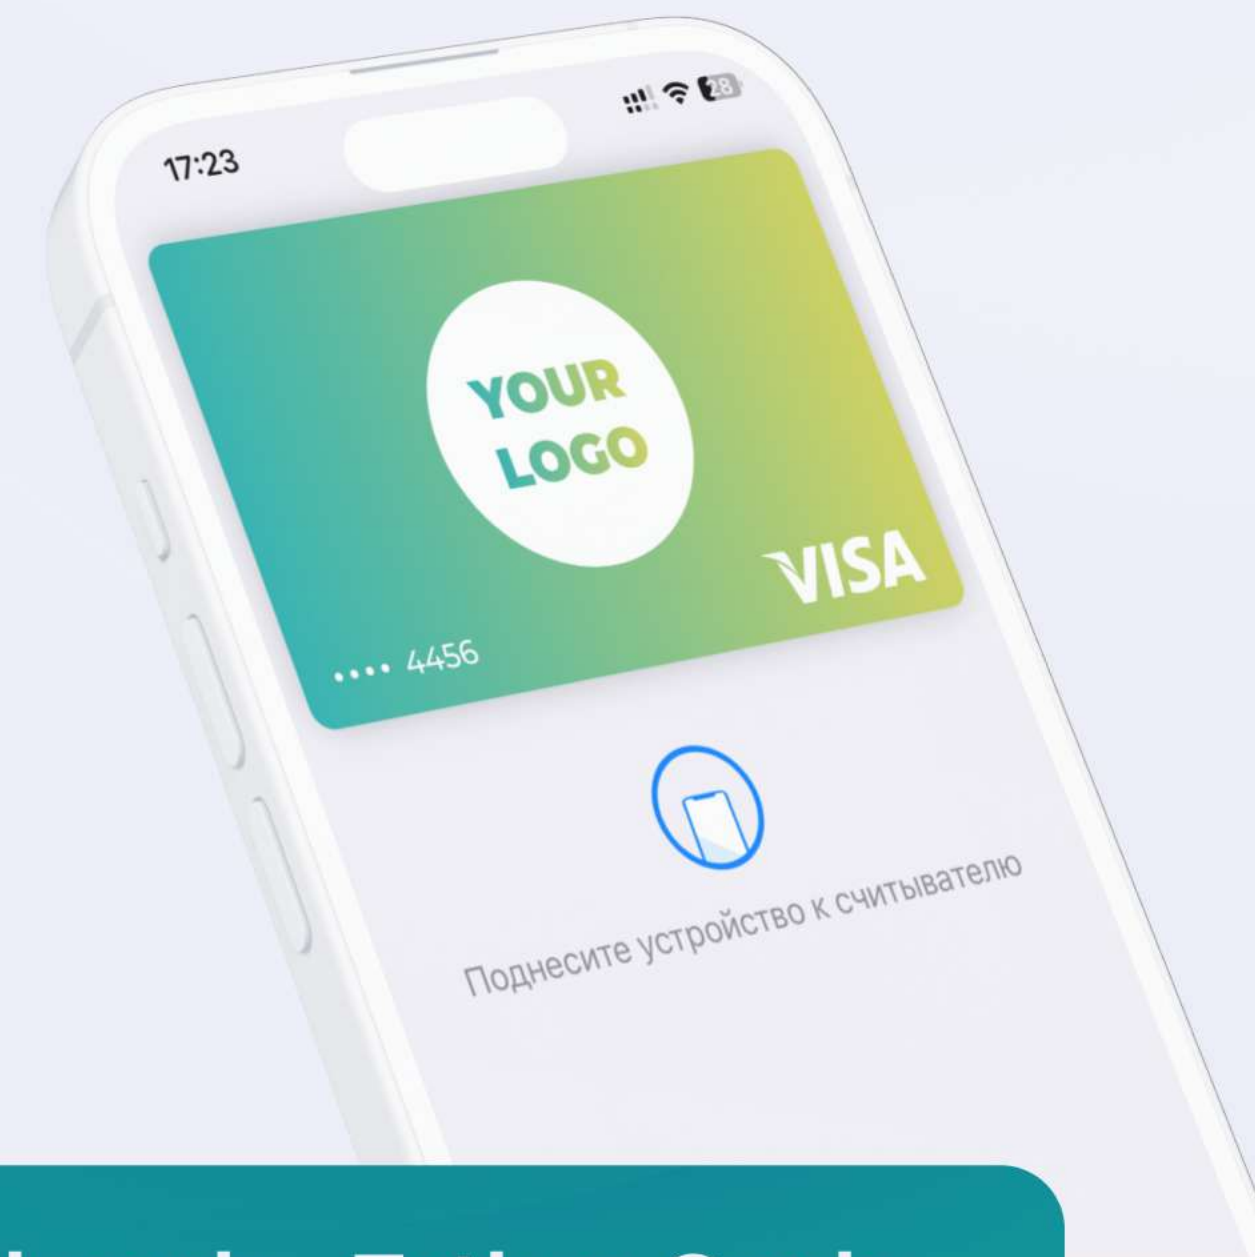

Cards for private clients,
partners, and investors of the
Tethex platform

Tethex Card System

Business cards

Turnkey corporate card program
for your company

These solutions are based on unique virtual cards - Tethex Cards

Tethex Cards combine the best out of two financial systems

Tethex Cards: the first virtual cards combining the capabilities of traditional financial systems and cryptocurrencies

Traditional financial system:

- Security
- User convenience
- Globally accepted

**Combines all
the best qualities
and advantages
of both systems**

Cryptocurrency asset system:

- Anonymity
- Low fees
- High profitability

This is why Tethex Card is called a next-level payment solution

Tethex Card

One card - multiple advantages

Tethex Cards - a multitude of possibilities, including:
