Next Goal - Official Representation in Turkey

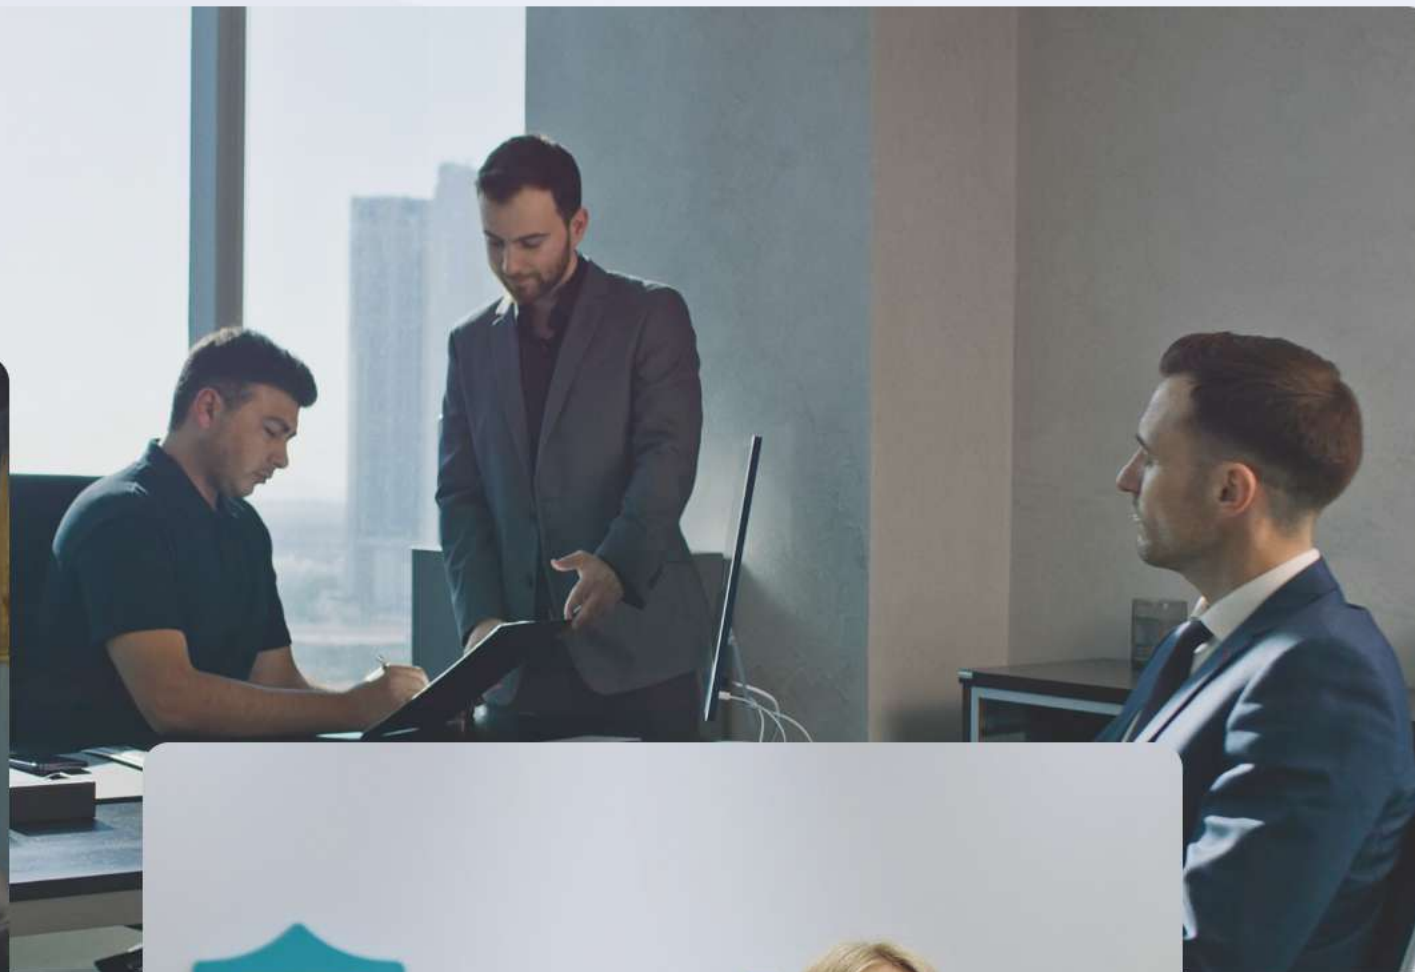

Representation in Istanbul will be the next strategic step for our business. The intersection of Europe and Asia on the Tethex business map.

Our plans include opening offices in all major cities and financial centers worldwide by 2030.

Tethex - a functioning successful business that is now entering a new stage of development.

The company's expansion opens up numerous opportunities for you!

Business Scaling through Increased Liquidity

The larger the company's working capital, the better the conditions for Tethex business.

Increased volumes lead to more favorable exchange rates, reduced commissions, and other privileges from counterparties. All of these increase the company's net profit, part of which Tethex shares with its investors.

A Rare Opportunity to Invest in an Already Successful Business

Tethex - already a functioning high-yield business, so investments in it are strictly limited and regulated.

- Offers for private investors are presented in the form of 13 investment contracts.
- Each contract has a fixed cost from 100 to 100,000 USDT.
- The daily return on contracts is floating, depending on the current business results. However, the higher the contract cost, the higher the maximum daily return.
- Each contract has an investment target of 200%. Upon reaching this goal, the contract is closed and considered fulfilled.
- Each contract is accompanied by an official digital agreement.

**Important! The number of contracts is limited.
Access is granted as needed by the business.**
